

## Creating an Online Tennis Account and purchasing a membership for a child under 15

1. Head to [tennis.com.au](http://tennis.com.au) and click on JOIN in the top right hand corner. Then click on the “Under 15? JOIN HERE” link as shown below.

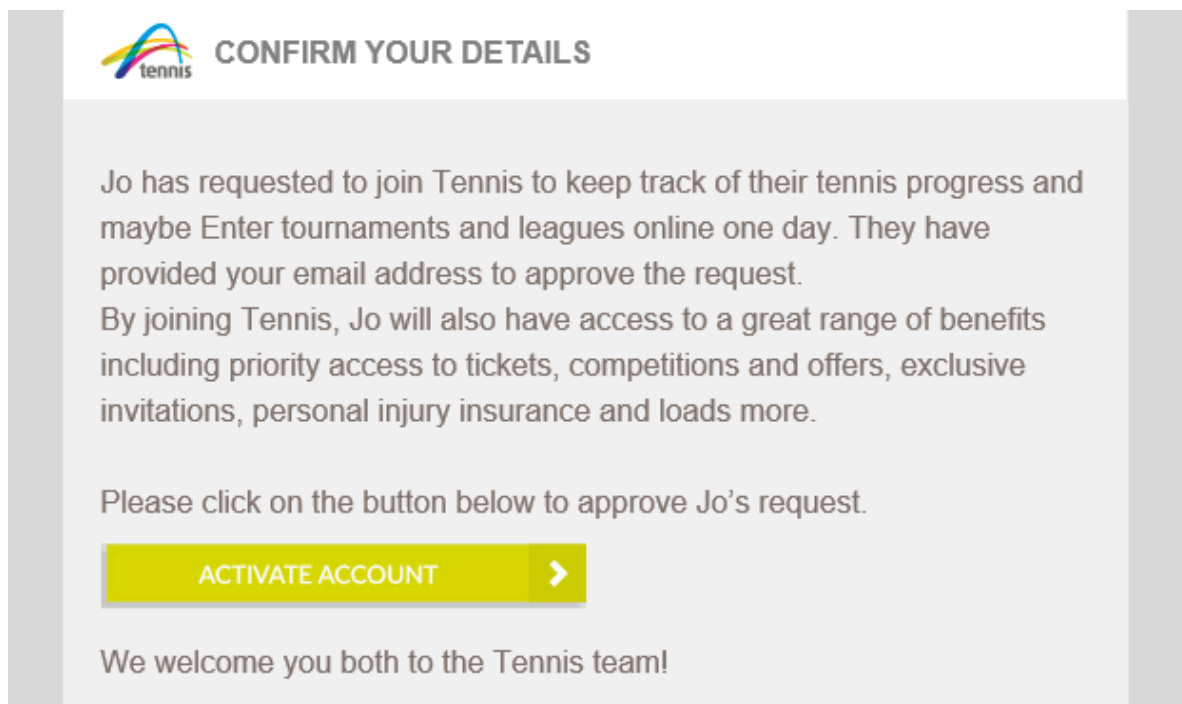

2. Enter the child’s details and the parent/guardian’s email address that the account should be linked to and create a username and password.

NOTE: The under 15 account can be linked with the existing Online Tennis Account of a parent/ guardian, or can be linked to an email address without an existing account.

- Once the account has been created, the parent/ guardian will receive a “Confirm your Details” email as shown below and will be required to activate the child’s account.

- Using this account, (signed in with username and password), a club membership can then be purchased on the nominated club’s online membership page.
